BY: Sheridan Ross

Dear Sir:

Included herein are additional copies of the Federal Communications Commission documents previously submitted and cited on one of the previously submitted PTO-1449 Information Disclosure Statements entered in the above-identified patent application.

Additionally, a supplemental Information Disclosure Statement is provided herein, together with the U.S. patent referenced in this supplemental Information Disclosure Statement.

Submission of the above information is not intended as an admission that any item is citable under the statutes or rules to support a rejection, that any item disclosed represents analogous art, or that those skilled in the art would refer to or recognize the pertinence of any reference without the benefit of hindsight, nor should an inference be drawn as to the pertinence of the references based on the order in which they are presented. Submission of this statement should not be taken as an indication that a search has been conducted, or that no better art exists.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application and the references made of record therein.

Note that an additional set of claims is being filed in this application. If these additional claims have not been received, please contact the below-named applicant.

No fees are believed due with this correspondence. However, if there are fees due, Applicant requests that he be contacted immediately so that such fees may be timely paid.

Respectfully submitted,

By:
